ORDER

18-cv-582-jdp

This civil action is substantially similar to another case pending in this court, case number 18-cv-368-jdp, in which plaintiffs David Thom, Crystal Thom, William Cadwallader, Robert Wentworth, Raymond Boyle, and Michael O'Grady sued more than 40 defendants

associated with numerous local government entities for violations of their rights under the United States Constitution and state law. A couple of months after filing 18-cv-368-jdp in this court, the plaintiffs, joined by plaintiffs Rebecca Kowald, Joanne Winter, Robert Zeier, and John Gruber, filed a separate action in the Circuit Court for Columbia County, alleging federal and state constitutional claims nearly identical to those in case 18-cv-368-jdp, as well as several additional claims. A subset of the defendants accepted service of the complaint and then removed the case to this court on July 25, 2018. Dkt. 1. The removed case was assigned case number 18-cv-582-jdp.

On March 25, 2019, I issued an order remanding plaintiff's claims under the Wisconsin Constitution back to state court, granting in part and denying in part motions to dismiss filed by subsets of the defendants, and directing defendants to file a response to this order explaining how they wish to proceed with this case in light of the seven unrelated claims that remained in this case. Defendants have responded, stating that they will pay removal fees for the six additional lawsuits. Dkt. 31. I will assign case number 18-cv-852-jdp to the claims in Lawsuit 1. I will assign additional case numbers to the claims in the remaining six lawsuits.

Defendants also ask that plaintiffs be required to file amended complaints in each of the seven lawsuits. I am denying this request because it would be inefficient and would likely lead to new allegations and claims that were not included in the original complaint. Plaintiffs' original complaint, the March 25 order, and this order will be docketed in each of the new cases. In responding to the complaint in each case, defendants should respond only to the allegations that apply to the specific claims at issue in the specific case.

Defendants also state that they intend to move the court to consolidate these cases with any lawsuits that stem from the 18-cv-368-jdp case. But consolidation is premature at this

stage because it is not yet clear which claims plaintiffs will proceed with in 18-cv-368-jdp. Defendants are free to request consolidation if plaintiffs decide to move forward with any of the claims raised in 18-cv-368-jdp.

Finally, after reviewing my previous order dismissal several claims and the claims that are remaining claims in each of the seven lawsuits, I conclude that plaintiffs have no claims against defendants Robert Bagnell, Benjamin Neumann, Peter Bartaczewicz, Kevin Manthey, Anthony Brauner, Michael Schutz, Thomas Drury, Charles Miller, Kathryn Miller, Leda Wagner, Douglas Jarzynski, and Terri Pulvermacher. I will dismiss these individuals as defendants.
